New Delhi Institute of Management

ABOUT-

New Delhi Institute of Management is a unit of "Society for Employment and Career Counselling" and is an integral part of this non-profit & charitable education society registered since 1992. Chairman of New Delhi Institute of Management Dr. Vishwa Mohan Bansal is also the President of the Society for Employment and Career Counselling. NDIM's PGDM is known for its 'Case Based Learning' and 'Skill Based Curriculum' which is regularly fine-tuned to changing global requirements by 93 recruiters across different sectors of industry, who constitute its 'Academic Advisory Council'.

NDIM is a sought after MBA school because of its strong "Industry Interface" for which it has been rated at first place in India and bracketed with IIM(K) and MDI. The high 'Industry Interface' has facilitated longest hours of 'Continuous Corporate Connect' for every student which prepares them to global expectations

PGDM (IEV)-

To encourage young graduates to develop and grow innovative startups and the family business heirs multiply their businesses, the Government of India has launched this new MBA/PGDM in "Innovation, Entrepreneurship and Venture Development (IEV)" from October 2020. This MBA is different from MBAs in other disciplines like marketing/finance/HR etc. as it has been specifically designed by the experts in the government to convert job seekers into job creators under the Prime Minister's pledge to make Atamnirbhar Bharat. **The objective of this unique action oriented program is to produce new generation entrepreneurs capable of building innovative startups and simultaneously earning master degree.**
